QUESTION 1 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would limit the way in which business and certain nonprofit corporations could contribute to and spend money on campaigns involving an initiative, referendum or other question submitted to the voters at a state or local election. The proposed law would require ballot committees organized to support or oppose any question submitted to the voters to disclose promptly certain contributions made late in the campaign; would establish procedures that business and certain nonprofit corporations would have to follow in order to spend money on ballot question campaigns; and would establish voluntary spending limits for ballot committees.

The proposed law would require a ballot committee to report to the state Office of Campaign and Political Finance, within one business day of receipt, the name, address, occupation and employer of any person or organization making a contribution of \$1,000 or more, if the contribution was made before the date of the election but after the closing date of the last official campaign contribution report.

Under the proposed law, business and certain nonprofit corporations would be prohibited from making contributions or expenditures to support or oppose a ballot question, but would be permitted to create and solicit contributions to a separate fund to be used to support or oppose a ballot question. A separate fund would be required for each ballot question on which the corporation intended to solicit contributions. The corporation would be required to report all amounts spent to establish and administer the fund to the Office of Campaign and Political Finance, and to a city or town if the fund were established to influence the vote on a local ballot question.

Contributions to the separate fund could be solicited only from members or stockholders, officers and directors, and employees at a policymaking, managerial or professional level. Coercion, job discrimination and financial reprisals as methods of soliciting contributions would be prohibited. Nonprofit corporations that are formed for the purpose of promoting political ideas, do not engage in business activities, have no shareholders, and do not have business corporations as members or accept more than one percent of their revenues from such corporations would be exempt from these provisions. A business organization that violated these requirements could be fined up to \$50,000, and any director or agent of a business organization who violates or authorizes the violation of these requirements could be fined up to \$10,000 and/or imprisoned for up to one year.

The proposed law would establish voluntary spending limits for ballot committees at \$1,000,000 in the year of an election, and \$250,000 in the years immediately before and after an election. Ballot committees agreeing to observe these voluntary limits would be permitted to announce their compliance on advertisements and campaign materials. Ballot committees that agreed to observe the spending limits and later exceeded the limits could be fined up to \$10,000.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 2 REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on January 4, 1994, by a vote of 105 to 49, and approved by the Senate on January 4, 1994, by a vote of 26 to 11?

SUMMARY

This law requires drivers and passengers in certain motor vehicles on public ways to wear properly adjusted and fastened safety belts. The law applies to persons driving or riding in private passenger motor vehicles or riding in vanpool vehicles or trucks under 18,000 pounds. It also applies to employees of cities, towns, counties, and districts. The law does not apply to: (1) children under twelve years old who are required by another state law to use safety belts or other child passenger restraints; (2) vehicles manufactured before July 1, 1966; (3) persons certified by a physician as physically unable to use safety belts; (4) U.S. Postal Service rural carriers while performing their duties; (5) persons involved in operating taxies, liveries, tractors, trucks of 18,000 pounds or more, buses; or (6) passengers in authorized emergency vehicles.

The law is enforced by law enforcement agencies only when a driver has been stopped for a motor vehicle violation or some other offense. A driver and each passenger 16 years old or older may be fined \$25 for not using a safety belt when required. A driver may also be fined \$25 for each passenger between 12 and 16 years old who is not using a safety belt when required. A person who receives a citation for violating the law may challenge it using the same procedure that applies to most other automobile law violations. A violation is not considered a moving violation for motor vehicle insurance surcharge purposes.

The law directs the state Registrar of Motor Vehicles to require police officers, when reporting automobile accidents, to record whether safety belts were used. The law directs the Governor's Highway Safety Bureau to (1) conduct a public information and education program on motor vehicle occupant protection; (2) evaluate and report to the Legislature, by June 1, 1995, on the effectiveness of and degree of compliance with the law; and (3) make annual surveys of safety belt use.

The law requires the state Commissioner of Insurance to evaluate, report, and make recommendations to the Legislature concerning the effectiveness of the law and the frequency of bodily injury claims during the law's first year of operation. The Commissioner must also require at least a 5% reduction in bodily injury insurance premiums if the observed safety belt use rate among all vehicle occupants is 50% or more after the law's first year of operation. The Commissioner is required to take into account the annual safety belt use survey results in future decisions setting bodily injury premiums, and the Commissioner must further reduce those premiums if the safety belt use rate in Massachusetts exceeds the national average.

The law provides that failure to wear a properly fastened safety belt may not be considered as contributory negligence or used as evidence in any civil lawsuit. It also states that no insurance company may either (1) deny coverage to a person who failed to wear a safety belt during an accident that led to bodily injury, or (2) refuse to issue a motor vehicle liability policy based on a violation of this law.

QUESTION 3 REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on May 28, 1993 by a vote of 112 to 39, and approved by the Senate on June 23, 1993 by a vote of 20 to 19?

SUMMARY

This law eliminates one of the two ways in which students may authorize fees to be assessed on tuition bills at state-operated colleges and universities to support nonpartisan student organizations that attempt to influence state legislation.

The law applies to community and state colleges and the University of Massachusetts. The law takes the place of previous law that allowed a student body, by a majority vote in an official student body referendum, to authorize a "waivable fee," or (at state colleges and the University) an "optional fee," to be collected for such nonpartisan student organizations. Under this law, the boards of trustees at community and state colleges and the University are prohibited from collecting waivable fees and may only collect optional fees for such organizations.

A "waivable fee" is collected when authorized by a majority of those students voting in an official student body referendum. A waivable fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may deduct the charge from the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

An "optional fee" is collected when authorized by a majority of those students voting in an official student body referendum. An optional fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may add the charge to the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

QUESTION 4 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would prevent the name of a person from being printed on a state primary or general election ballot as a candidate for one of a number of specified state and federal public offices, if the person had already served a certain number of consecutive terms in that office within a fixed period preceding the end of the then-current term of office. If such a person were still elected by write-in vote to one of the state offices (except the office of Governor), the person would serve without a salary, and in some of the state offices, without payment for certain expenses.

Under the proposed law, the name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, or State Attorney General, if the person had served two consecutive terms (eight years) in that office in the eleven years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor's Councillor, State Representative, State Senator, or United

States Representative from Massachusetts, if the person had served four consecutive terms (eight years) in that office in the nine years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of United States Senator from Massachusetts, if the person had served two consecutive terms (twelve years) in that office in the seventeen years prior to the end of the then-current term of office. The proposed law would not prevent any voter from casting a write-in vote for any person as a candidate for any office.

If a person made ineligible by the proposed law to have his or her name printed on the ballot as a candidate for the office of Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, State Attorney General, Governor's Councillor, State Representative or State Senator were still elected to that office by write-in vote, the person would serve without a salary. If such a person were elected to the office of Lieutenant Governor, Governor's Councillor, State Representative or State Senator, the person would also serve without payment for certain expenses.

The current terms of the persons serving as Governor, Lieutenant Governor, Governor's Councillor, State Representative, State Senator, United States Representative from Massachusetts, and United States Senator from Massachusetts, would not be counted for purposes of the proposed law. The terms of the persons elected in 1990 to the office of Secretary of State, State Treasurer, State Auditor, or State Attorney General would be counted.

Any person who served more than half of a term in an office would be treated as having served a full term in that office. Any person who resigned from an office would be treated as having served a full term.

The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

QUESTION 5 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would allow retail stores to open at any time on Sundays and on the legal holidays of Memorial Day, July Fourth, and Labor Day. It would not affect current restrictions on the sale of alcoholic beverages on Sundays and these holidays. Stores opening under the proposed law would be required to make Sunday and holiday work voluntary and would be required to pay most employees at least one and one-half times their regular rate.

QUESTION 6 CONSTITUTIONAL AMENDMENT PROPOSED BY INITIATIVE PETITION

Do you approve of the adoption of an amendment to the constitution, summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 16, 1992, by a vote of 132 to 39, and on May 25, 1994, by a vote of 119 to 73?

SUMMARY

This proposed constitutional amendment would require Massachusetts income tax rates to be graduated, in order to distribute the burden of the tax fairly and equitably. The proposed amendment would require the rates for taxpayers in higher income brackets to be higher than the rates for taxpayers in lower income brackets. The proposed amendment would also allow the state Legislature to grant reasonable exemptions and abatements and establish the number and range of tax brackets. The proposed amendment would eliminate from the Massachusetts Constitution the present requirement that income taxes must be levied at a uniform rate throughout the state upon incomes derived from the same class of property.

QUESTION 7 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would change the state personal income tax laws if a proposed amendment to the Massachusetts Constitution requiring income tax rates to be graduated is approved at the 1994 state election. This proposed law would (1) set graduated income tax rates to replace the existing tax rate structure, (2) change exemptions and deductions relating to dependents, child care expenses, head of household status and personal exemptions, (3) establish a property tax and water rate credit of up to \$200 for taxpayers below certain income levels, (4) increase the maximum income levels for no-tax status and the limited income credit, (5) estab-

lish a "capital formation incentive" to replace the existing capital gains exclusion, and (6) provide that taxpayers will not pay more Massachusetts income tax for 1995 than they would have paid under 1992 law, if their 1995 adjusted gross income is below certain levels (for instance, \$60,000 for single filers and \$100,000 for married couples filing jointly).

(1) PROPOSED GRADUATED INCOME TAX RATES WOULD:

Set the following state tax rates for all Massachusetts taxable income (after subtracting applicable deductions and exemptions):

Tax Rate	single	married filing jointly	married filing separately	head of household
	up to	up to	up to	up to
5.5%	\$50,200	\$81,000	\$40,500	\$60,100
8.8%	over \$50,200	over \$81,000	over \$40,500	over \$60,100
	up to \$90,000	up to \$150,000	up to \$75,000	up to \$120,000
9.8%	over \$90,000	over \$150,000	over \$75,000	over \$120,000

A taxpayer whose total taxable income exceeded the upper limit for the 5.5% or 8.8% income bracket would still be taxed at the lower rate for income within that bracket. For example, a single person with \$100,000 in taxable income would be taxed at 5.5% on \$50,200 of that income, at 8.8% on the next \$39,800, and at 9.8% on the remaining \$10,000 of that income. The income brackets would be increased annually, starting in 1996, to account for changes in the cost of living.

- Eliminate the existing division of Massachusetts income into Part A income (generally, dividends, capital gains, and certain interest), currently taxed at 12 percent, and Part B income (all other income), currently taxed at 5.95 percent.
- Create a "head of household" filing status for single persons who have dependents and who file federal returns as heads of households.
- Prevent any gain from the sale of a taxpayer's principal residence from being taxed by the state at a rate higher than 6%.
- Provide that non-residents would pay tax on their Massachusetts income based on the income rate brackets applicable to their total income (including Massachusetts and other income).

(2) PROPOSED CHANGES IN EXEMPTIONS, DEDUCTIONS AND CREDITS WOULD:

Replace the child and dependent care expense deduction with a child and dependent care tax credit equal to 60% of the federal child and dependent care tax credit.

- Increase the existing exemption for each claimed dependent from \$1,000 to \$2,000.
- Allow heads of households a personal exemption of \$3,400, plus \$2,200 if blind and \$700 if 65 years of age or over.
- Reduce personal exemptions gradually for taxpayers whose adjusted gross income exceeded \$60,000 for single filers, \$100,000 for married persons filing jointly, \$50,000 for married persons filing separately and \$80,000 for heads of households. The personal exemption would be eliminated entirely for filers whose adjusted gross incomes exceeded these amounts by more than \$50,000 (\$25,000 for married persons filing separately). These amounts would be increased annually, starting in 1996, to account for changes in the cost of living.
- Allow interest and dividends from deposits in all banks and institutions to qualify for the \$100 deduction (\$200 for married couples) currently applicable only to Massachusetts bank interest and dividends.
- Allow the \$1000 net capital loss deduction to be taken against all income, not just against Part A income as current law provides.

(3) PROPOSED PROPERTY TAX AND WATER RATE CREDIT WOULD:

- Create a property tax and water rate credit of up to \$200 for eligible homeowners and renters who have total incomes less than: \$30,000 for married couples, \$25,000 for head of household filers and \$20,000 for single filers. The amount of the credit would depend on the amount by which the taxpayers' real estate property tax and water charges exceeded 10% of their income. 20% of tenants' rent would be treated as a property tax payment for these purposes. If the taxpayer had no income tax due, the amount of any credit due would be paid to the taxpayer, as long as the state Legislature made any appropriation necessary to pay such refunds.

(4) PROPOSED \$2000 INCREASE IN THE EXISTING INCOME THRESHOLDS FOR NO-TAX STATUS WOULD:

- Exempt taxpayers at or below the following levels of adjusted gross income from paying income tax: \$14,000 for married couples filing jointly, \$12,000 for head of household filers, and \$10,000 for single filers. These levels would be adjusted annually, starting in 1996, to account for changes in the cost of living. The new levels also would apply to the limited income credit which is available to taxpayers with adjusted gross income up to 175 percent of these levels.

(5) PROPOSED CAPITAL FORMATION INCENTIVE WOULD:

- Replace the current 50% capital gains deduction with a "capital formation incentive" deduction, which would allow partial deductions for gains from the sale or exchange of qualified stock issued by certain corporations that employ 50% or more of their employees in Massachusetts.
- Only gains on original stock purchased on or after January 1, 1995 from certain corporations engaged in active business, and held for required periods of time, would qualify for the deduction. The amount of the deduction would be 30% of the gain on stock held at least 3 years; 50% for stock held at least five years; and 70% for stock held at least seven years. Detailed provisions would restrict the benefit of this deduction to stock issuances which reflect new investments in businesses, and would disqualify stock in certain types of corporations that receive special tax treatment under existing law.

(6) PROPOSED CAP ON TAX LIABILITY FOR CERTAIN TAXPAYERS IN 1995 WOULD:

- Excuse taxpayers at or below the following levels of adjusted gross income, as determined under the proposed law, from owing more Massachusetts income tax in 1995 than they would have owed under 1992 law: \$100,000 for married couples filing jointly, \$80,000 for heads of household, \$60,000 for single filers, and \$50,000 for married persons filing separately.

(7) EFFECTIVE DATE:

If the State Constitution is amended at the 1994 election to require graduated income tax rates, the proposed law would be effective beginning in tax year 1995. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

Note: Wherever this summary refers to current or existing law, the reference is to the law in effect in August 1993, when this summary was prepared.

QUESTION 8 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would increase the portion of gasoline tax revenue that would be credited to the state Highway Fund; prohibit the transfer of money from the Highway Fund to other state funds for other purposes; declare that citizens have a right to a safe and efficient public highway, road and bridge system and require the state to develop a comprehensive seven-year state transportation plan; and make certain other changes in state finance laws relating to the Highway Fund.

The proposed law would require that the small portion of state gasoline tax revenues that is deposited in funds relating to the use of watercraft be deposited instead in the Highway Fund. No revenue deposited in the Highway Fund could be transferred to any other state fund for any purpose other than one for which the Highway Fund may be used.

The proposed law would declare that the citizens of Massachusetts have a right to a safe and efficient public highway, road and bridge system, constructed and maintained by the state and its counties, cities and towns. The state Secretary of Transportation and Construction would be required to prepare a comprehensive state transportation plan for the period July 1, 1995 through June 30, 2002, to be updated every three years. The plan would provide for the repair or reconstruction of at least five percent of public highways and bridges every year, and it would establish priorities for highway, road and bridge projects based on condition and safety factors. The plan would be designed to promote economic development and employment by meeting the various transportation needs of residents throughout the state. The plan would be prepared after a public hearing and after consultation with the state Secretaries of Environmental Affairs and Economic Affairs.

Under the proposed law, money in the Highway Fund would no longer be considered in determining whether the state government has sufficient money on hand to set some aside for use in future fiscal years or to deposit some in the state tax reduction fund. The proposed law would declare that no more than 15% of gasoline tax revenues could be used for mass transportation purposes, but it would not prevent the state Legislature from appropriating additional gasoline tax revenues for such purposes.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 9 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would prohibit rent control for most privately owned housing units in Massachusetts, and would nullify certain existing rent control laws, except that cities and towns would be authorized to adopt a restricted form of rent control for a six month period, after which compliance by property owners would

be voluntary.

The proposed law would prohibit any city or town from enacting, maintaining or enforcing any law that requires below-market rents for residential properties. It would also prohibit the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control, if such regulation was part of a system requiring below-market rents. Existing state and local rent control laws would be nullified. The proposed law would not affect publicly owned or subsidized housing, federally assisted housing, or mobile homes.

Cities and towns would be authorized to adopt rent control for a six-month period on housing units that have a fair market rent of \$400 or less and that are owned by a person or entity owning ten or more rental units. Such rent control could not include the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control. The city or town would have to pay the owners of rent-controlled units the difference between the controlled rent and the fair market rent. After six months, owners of rent-controlled units would not be required to comply with the rent control regulation or with any other such regulation that the city or town might adopt in the future.

The proposed law would take effect on January 1, 1995. The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 1 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would limit the way in which business and certain nonprofit corporations could contribute to and spend money on campaigns involving an initiative, referendum or other question submitted to the voters at a state or local election. The proposed law would require ballot committees organized to support or oppose any question submitted to the voters to disclose promptly certain contributions made late in the campaign; would establish procedures that business and certain nonprofit corporations would have to follow in order to spend money on ballot question campaigns; and would establish voluntary spending limits for ballot committees.

The proposed law would require a ballot committee to report to the state Office of Campaign and Political Finance, within one business day of receipt, the name, address, occupation and employer of any person or organization making a contribution of \$1,000 or more, if the contribution was made before the date of the election but after the closing date of the last official campaign contribution report.

Under the proposed law, business and certain nonprofit corporations would be prohibited from making contributions or expenditures to support or oppose a ballot question, but would be permitted to create and solicit contributions to a separate fund to be used to support or oppose a ballot question. A separate fund would be required for each ballot question on which the corporation intended to solicit contributions. The corporation would be required to report all amounts spent to establish and administer the fund to the Office of Campaign and Political Finance, and to a city or town if the fund were established to influence the vote on a local ballot question.

Contributions to the separate fund could be solicited only from members or stockholders, officers and directors, and employees at a policymaking, managerial or professional level. Coercion, job discrimination and financial reprisals as methods of soliciting contributions would be prohibited. Nonprofit corporations that are formed for the purpose of promoting political ideas, do not engage in business activities, have no shareholders, and do not have business corporations as members or accept more than one percent of their revenues from such corporations would be exempt from these provisions. A business organization that violated these requirements could be fined up to \$50,000, and any director or agent of a business organization who violates or authorizes the violation of these requirements could be fined up to \$10,000 and/or imprisoned for up to one year.

The proposed law would establish voluntary spending limits for ballot committees at \$1,000,000 in the year of an election, and \$250,000 in the years immediately before and after an election. Ballot committees agreeing to observe these voluntary limits would be permitted to announce their compliance on advertisements and campaign materials. Ballot committees that agreed to observe the spending limits and later exceeded the limits could be fined up to \$10,000.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 2 REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on January 4, 1994, by a vote of 105 to 49, and approved by the Senate on January 4, 1994, by a vote of 26 to 11?

SUMMARY

This law requires drivers and passengers in certain motor vehicles on public ways to wear properly adjusted and fastened safety belts. The law applies to persons driving or riding in private passenger motor vehicles or riding in vanpool vehicles or trucks under 18,000 pounds. It also applies to employees of cities, towns, counties, and districts. The law does not apply to: (1) children under twelve years old who are required by another state law to use safety belts or other child passenger restraints; (2) vehicles manufactured before July 1, 1966; (3) persons certified by a physician as physically unable to use safety belts; (4) U.S. Postal Service rural carriers while performing their duties; (5) persons involved in operating taxies, liveries, tractors, trucks of 18,000 pounds or more, buses; or (6) passengers in authorized emergency vehicles.

The law is enforced by law enforcement agencies only when a driver has been stopped for a motor vehicle violation or some other offense. A driver and each passenger 16 years old or older may be fined \$25 for not using a safety belt when required. A driver may also be fined \$25 for each passenger between 12 and 16 years old who is not using a safety belt when required. A person who receives a citation for violating the law may challenge it using the same procedure that applies to most other automobile law violations. A violation is not considered a moving violation for motor vehicle insurance surcharge purposes.

The law directs the state Registrar of Motor Vehicles to require police officers, when reporting automobile accidents, to record whether safety belts were used. The law directs the Governor's Highway Safety Bureau to: (1) conduct a public information and education program on motor vehicle occupant protection; (2) evaluate and report to the Legislature, by June 1, 1995, on the effectiveness of and degree of compliance with the law; and (3) make annual surveys of safety belt use.

The law requires the state Commissioner of Insurance to evaluate, report, and make recommendations to the Legislature concerning the effectiveness of the law and the frequency of bodily injury claims during the law's first year of operation. The Commissioner must also require at least a 5% reduction in bodily injury insurance premiums if the observed safety belt use rate among all vehicle occupants is 50% or more after the law's first year of operation. The Commissioner is required to take into account the annual safety belt use survey results in future decisions setting bodily injury premiums, and the Commissioner must further reduce those premiums if the safety belt use rate in Massachusetts exceeds the national average.

The law provides that failure to wear a properly fastened safety belt may not be considered as contributory negligence or used as evidence in any civil lawsuit. It also states that no insurance company may either (1) deny coverage to a person who failed to wear a safety belt during an accident that led to bodily injury, or (2) refuse to issue a motor vehicle liability policy based on a violation of this law.

QUESTION 3 REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on May 28, 1993 by a vote of 112 to 39, and approved by the Senate on June 23, 1993 by a vote of 20 to 19?

SUMMARY

This law eliminates one of the two ways in which students may authorize fees to be assessed on tuition bills at state-operated colleges and universities to support nonpartisan student organizations that attempt to influence state legislation.

The law applies to community and state colleges and the University of Massachusetts. The law takes the place of previous law that allowed a student body, by a majority vote in an official student body referendum, to authorize a "waivable fee," or (at state colleges and the University) an "optional fee," to be collected for such nonpartisan student organizations. Under this law, the boards of trustees at community and state colleges and the University are prohibited from collecting waivable fees and may only collect optional fees for such organizations.

A "waivable fee" is collected when authorized by a majority of those students voting in an official student body referendum. A waivable fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may deduct the charge from the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

An "optional fee" is collected when authorized by a majority of those students voting in an official student body referendum. An optional fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may add the charge to the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

QUESTION 4 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would prevent the name of a person from being printed on a state primary or general election ballot as a candidate for one of a number of specified state and federal public offices, if the person had already served a certain number of consecutive terms in that office within a fixed period preceding the end of the then-current term of office. If such a person were still elected by write-in vote to one of the state offices (except the office of Governor), the person would serve without a salary, and in some of the state offices, without payment for certain expenses.

Under the proposed law, the name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, or State Attorney General, if the person had served two consecutive terms (eight years) in that office in the eleven years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor's Councillor, State Representative, State Senator, or United

States Representative from Massachusetts, if the person had served four consecutive terms (eight years) in that office in the nine years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of United States Senator from Massachusetts, if the person had served two consecutive terms (twelve years) in that office in the seventeen years prior to the end of the then-current term of office. The proposed law would not prevent any voter from casting a write-in vote for any person as a candidate for any office.

If a person made ineligible by the proposed law to have his or her name printed on the ballot as a candidate for the office of Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, State Attorney General, Governor's Councillor, State Representative or State Senator were still elected to that office by write-in vote, the person would serve without a salary. If such a person were elected to the office of Lieutenant Governor, Governor's Councillor, State Representative or State Senator, the person would also serve without payment for certain expenses.

The current terms of the persons serving as Governor, Lieutenant Governor, Governor's Councillor, State Representative, State Senator, United States Representative from Massachusetts, and United States Senator from Massachusetts, would not be counted for purposes of the proposed law. The terms of the persons elected in 1990 to the office of Secretary of State, State Treasurer, State Auditor, or State Attorney General would be counted.

Any person who served more than half of a term in an office would be treated as having served a full term in that office. Any person who resigned from an office would be treated as having served a full term.

The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

QUESTION 5 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would allow retail stores to open at any time on Sundays and on the legal holidays of Memorial Day, July Fourth, and Labor Day. It would not affect current restrictions on the sale of alcoholic beverages on Sundays and these holidays. Stores opening under the proposed law would be required to make Sunday and holiday work voluntary and would be required to pay most employees at least one and one-half times their regular rate.

QUESTION 6 CONSTITUTIONAL AMENDMENT PROPOSED BY INITIATIVE PETITION

Do you approve of the adoption of an amendment to the constitution, summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 16, 1992, by a vote of 132 to 39, and on May 25, 1994, by a vote of 119 to 73?

SUMMARY

This proposed constitutional amendment would require Massachusetts income tax rates to be graduated, in order to distribute the burden of the tax fairly and equitably. The proposed amendment would require the rates for taxpayers in higher income brackets to be higher than the rates for taxpayers in lower income brackets. The proposed amendment would also allow the state Legislature to grant reasonable exemptions and abatements and establish the number and range of tax brackets. The proposed amendment would eliminate from the Massachusetts Constitution the present requirement that income taxes must be levied at a uniform rate throughout the state upon incomes derived from the same class of property.

QUESTION 7 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would change the state personal income tax laws if a proposed amendment to the Massachusetts Constitution requiring income tax rates to be graduated is approved at the 1994 state election. This proposed law would (1) set graduated income tax rates to replace the existing tax rate structure, (2) change exemptions and deductions relating to dependents, child care expenses, head of household status and personal exemptions, (3) establish a property tax and water rate credit of up to \$200 for taxpayers below certain income levels, (4) increase the maximum income levels for no-tax status and the limited income credit, (5) estab-

lish a "capital formation incentive" to replace the existing capital gains exclusion, and (6) provide that taxpayers will not pay more Massachusetts income tax for 1995 than they would have paid under 1992 law, if their 1995 adjusted gross income is below certain levels (for instance, \$60,000 for single filers and \$100,000 for married couples filing jointly).

(1) PROPOSED GRADUATED INCOME TAX RATES WOULD:

- Set the following state tax rates for all Massachusetts taxable income (after subtracting applicable deductions and exemptions):

Tax Rate	single	married filing jointly	married filing separately	head of household
	up to	up to	up to	up to
5.5%	\$50,200	\$81,000	\$40,500	\$60,100
8.8%	over \$50,200	over \$81,000	over \$40,500	over \$60,100
	up to \$90,000	up to \$150,000	up to \$75,000	up to \$120,000
9.8%	over \$90,000	over \$150,000	over \$75,000	over \$120,000

A taxpayer whose total taxable income exceeded the upper limit for the 5.5% or 8.8% income bracket would still be taxed at the lower rate for income within that bracket. For example, a single person with \$100,000 in taxable income would be taxed at 5.5% on \$50,200 of that income, at 8.8% on the next \$39,800, and at 9.8% on the remaining \$10,000 of that income. The income brackets would be increased annually, starting in 1996, to account for changes in the cost of living.

- Eliminate the existing division of Massachusetts income into Part A income (generally, dividends, capital gains, and certain interest), currently taxed at 12 percent, and Part B income (all other income), currently taxed at 5.95 percent.
- Create a "head of household" filing status for single persons who have dependents and who file federal returns as heads of households.
- Prevent any gain from the sale of a taxpayer's principal residence from being taxed by the state at a rate higher than 6%.
- Provide that non-residents would pay tax on their Massachusetts income based on the income rate brackets applicable to their total income (including Massachusetts and other income).

(2) PROPOSED CHANGES IN EXEMPTIONS, DEDUCTIONS AND CREDITS WOULD:

Replace the child and dependent care expense deduction with a child and dependent care tax credit equal to 60% of the federal child and dependent care tax credit.

- Increase the existing exemption for each claimed dependent from \$1,000 to \$2,000.
- Allow heads of households a personal exemption of \$3,400, plus \$2,200 if blind and \$700 if 65 years of age or over.
- Reduce personal exemptions gradually for taxpayers whose adjusted gross income exceeded \$60,000 for single filers, \$100,000 for married persons filing jointly, \$50,000 for married persons filing separately and \$80,000 for heads of households. The personal exemption would be eliminated entirely for filers whose adjusted gross incomes exceeded these amounts by more than \$50,000 (\$25,000 for married persons filing separately). These amounts would be increased annually, starting in 1996, to account for changes in the cost of living.
- Allow interest and dividends from deposits in all banks and institutions to qualify for the \$100 deduction (\$200 for married couples) currently applicable only to Massachusetts bank interest and dividends.
- Allow the \$1000 net capital loss deduction to be taken against all income, not just against Part A income as current law provides.

(3) PROPOSED PROPERTY TAX AND WATER RATE CREDIT WOULD:

- Create a property tax and water rate credit of up to \$200 for eligible homeowners and renters who have total incomes less than: \$30,000 for married couples, \$25,000 for head of household filers and \$20,000 for single filers. The amount of the credit would depend on the amount by which the taxpayers' real estate property tax and water charges exceeded 10% of their income. 20% of tenants' rent would be treated as a property tax payment for these purposes. If the taxpayer had no income tax due, the amount of any credit due would be paid to the taxpayer, as long as the state Legislature made any appropriation necessary to pay such refunds.

(4) PROPOSED \$2000 INCREASE IN THE EXISTING INCOME THRESHOLDS FOR NO-TAX STATUS WOULD:

- Exempt taxpayers at or below the following levels of adjusted gross income from paying income tax: \$14,000 for married couples filing jointly, \$12,000 for head of household filers, and \$10,000 for single filers. These levels would be adjusted annually, starting in 1996, to account for changes in the cost of living. The new levels also would apply to the limited income credit which is available to taxpayers with adjusted gross income up to 175 percent of these levels.

(5) PROPOSED CAPITAL FORMATION INCENTIVE WOULD:

- Replace the current 50% capital gains deduction with a "capital formation incentive" deduction, which would allow partial deductions for gains from the sale or exchange of qualified stock issued by certain corporations that employ 50% or more of their employees in Massachusetts.
- Only gains on original stock purchased on or after January 1, 1995 from certain corporations engaged in active business, and held for required periods of time, would qualify for the deduction. The amount of the deduction would be 30% of the gain on stock held at least 3 years; 50% for stock held at least five years; and 70% for stock held at least seven years. Detailed provisions would restrict the benefit of this deduction to stock issuances which reflect new investments in businesses, and would disqualify stock in certain types of corporations that receive special tax treatment under existing law.

(6) PROPOSED CAP ON TAX LIABILITY FOR CERTAIN TAXPAYERS IN 1995 WOULD:

- Excuse taxpayers at or below the following levels of adjusted gross income, as determined under the proposed law, from owing more Massachusetts income tax in 1995 than they would have owed under 1992 law: \$100,000 for married couples filing jointly, \$80,000 for heads of household, \$60,000 for single filers, and \$50,000 for married persons filing separately.

(7) EFFECTIVE DATE:

If the State Constitution is amended at the 1994 election to require graduated income tax rates, the proposed law would be effective beginning in tax year 1995. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

Note: Wherever this summary refers to current or existing law, the reference is to the law in effect in August 1993, when this summary was prepared.

QUESTION 8 LAW PROPOSED BY INITIATIVE PETITION

QUESTION 11 THIS QUESTION IS NOT BINDING

Shall the state senator from this district be instructed to vote for legislation establishing a single payer health care system for Massachusetts, each time such a bill is presented? This single payer system would:

- provide the same comprehensive health care coverage to all residents without discrimination;
- develop community based, culturally sensitive delivery systems, with consumer choice of health care provider;
- increase efficiency by eliminating the overhead and profits of private health insurance;
- fund health care by payroll taxes and income taxes based on the ability to pay; and
- limit the increase in the total cost of health care in Massachusetts to the rate of growth of the economy.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING BEFORE YOU VOTE:

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a doctor's certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

NOW, OPEN THIS BOOKLET TO VOTE.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING BEFORE YOU VOTE:

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

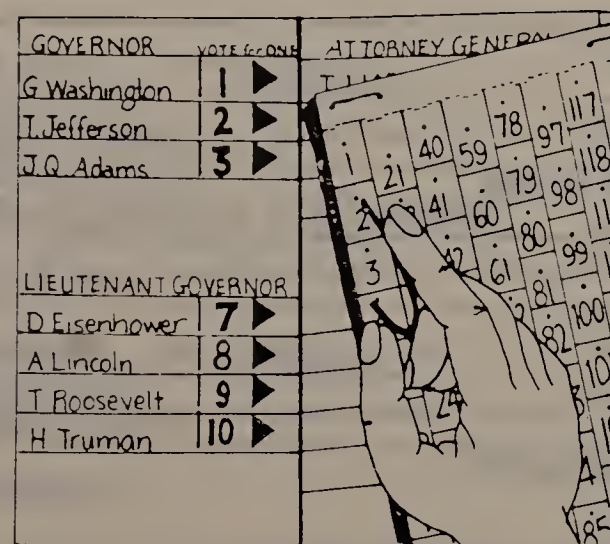

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a doctor's certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

your ballot card

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING BEFORE YOU VOTE:

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a doctor's certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

TO CHANGE PARTY ENROLLMENT

When the ballot is processed you become enrolled in the party named on this ballot. You must make a written request to your local election officials to change your enrollment.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING BEFORE YOU VOTE:

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a doctor's certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

TO CHANGE PARTY ENROLLMENT

When the ballot is processed you become enrolled in the party named on this ballot. You must make a written request to your local election officials to change your enrollment.

NOW, OPEN THIS BOOKLET TO VOTE.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING BEFORE YOU VOTE:

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a doctor's certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING! BEFORE YOU VOTE

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

If you are outside the United States, you must mail your ballot on or before election day, and your local election officials must receive it no later than ten days after the election.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

QUESTION 2
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

YES 78
NO 79

SUMMARY

This proposed law would require certain banks, insurance companies and publicly-traded corporations to file annual reports with the Massachusetts Secretary of State listing information from their state tax returns, including profit, income, corporate income tax due, deductions, exemptions and credits. These reports would be made public. This provision would apply only to those banks, insurance companies and publicly-traded corporations required by federal and other Massachusetts laws to disclose information concerning their federal tax payments.

The proposed law would also require the annual release by state officials of a detailed analysis of certain tax expenditures enacted or changed after January 1, 1988. State law defines a tax expenditure as an exemption, exclusion, deduction, or credit that results in less corporate, sales, or income tax revenue for the state. This analysis would be required only for tax expenditures with an annual revenue impact of \$1,000,000 or more. The analysis would include information on the actual revenue loss, as well as the number and proportion of taxpayers or taxpaying entities benefiting from the tax expenditure, according to income, profit, receipts or sales.

QUESTION 3
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

SUMMARY

This proposed law would require all packaging used in Massachusetts on or after July 1, 1996 to be reduced in size, reusable, or made of materials that have been or could be recycled. The proposed law would provide for exemptions for health, safety, and other reasons and would establish penalties for violations.

Packaging would have to be either reduced in size by at least 25% every five years; or designed to be reusable at least five times, with at least 50% of such packaging actually being reused; or recycled at a 50% rate; or composed of 25% or more of recycled materials (increasing to 35% on July 1, 1999 and 50% on July 1, 2002); or composed of materials being recycled at an annual rate of 25% (increasing to 35% in 1999 and 50% in 2002). The requirements would apply to any packaging or containers used to protect, store, handle, transport, display, or sell products.

These requirements would not be applicable to tamper-resistant or tamper-evident seals; packaging for medication or medical devices; packaging merely being shipped through the state; packaging required by federal or state health or safety laws or regulations; or flexible film packaging necessary to prevent food from spoiling.

The state Department of Environmental Protection could also grant exemptions for packaging that represents an innovative approach for which additional time is needed to meet the requirements of the law; or packaging made of material that cannot be reused or recycled, and cannot be made of recycled material, but is being composted at a significant rate; or products for which there is no complying packaging and for which compliance with the law would impose undue hardship (other than increased cost) on Massachusetts residents. A person applying for an exemption would pay a fee to be used, subject to legislative appropriation, to pay the cost of administering the proposed law.

The Department would be required to issue regulations to carry out the proposed law and would be required to investigate suspected violations. After issuing a warning, the Department could assess administrative penalties of up to \$100 for each offense and up to \$10,000 for any single shipment or single continuing act of non-compliance. The state Attorney General could also file court actions for civil penalties of up to \$500 for each offense and up to \$25,000 for any single shipment or continuing act of non-compliance, and could seek a court order requiring compliance. Each non-complying piece of packaging would be considered a separate offense or act of non-compliance.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 1
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

SUMMARY

This proposed law would establish a Health Protection Fund to pay for health programs relating to tobacco use, including distribution of information about tobacco use, to be financed by a new excise tax on cigarettes and smokeless tobacco. The Health Protection Fund would be used, subject to appropriation by the state Legislature, to supplement existing funding for the following purposes: school health education programs including information about the hazards of tobacco use; smoking prevention and smoking cessation programs in the workplace and community; tobacco-related public service advertising; drug education programs; support of prenatal and maternal care at community health centers which provide programs on smoking cessation and information on the harmful effects of smoking; and monitoring by the state Department of Public Health of illness and death associated with tobacco.

The proposed law would establish a new excise tax of one and one-quarter cents per cigarette (twenty-five cents per pack of 20) and twenty-five percent of the whole-sale price of smokeless tobacco. This excise would be in addition to the excise already imposed on cigarettes and smokeless tobacco. The new excise would be collected by the state Department of Revenue under the same procedures that apply to the existing tobacco excise.

The proposed law would direct the State Comptroller to report annually on the revenues and expenditures of the Health Protection Fund. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect. The proposed law would go into effect on January 1, 1993.

QUESTION 4
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

SUMMARY

This proposed law would impose an excise tax on oil, toxic chemicals, and other hazardous substances, and would direct that the money raised, along with the fees paid by hazardous waste transporters and specific revenues under other state laws, be deposited in the state Environmental Challenge Fund. Money in the Fund would be used, subject to legislative appropriation, to assess and clean up sites that have been or may be contaminated by oil or hazardous materials, and to carry out and enforce the excise.

As of July 1, 1993, the excise would apply to persons, businesses, and other entities possessing 50,000 pounds or more of oil and toxic chemicals covered by the proposed law. Toxic chemicals would be covered if classified as toxic by the federal Environmental Protection Administration (EPA) under federal law. As of July 1, 1994, substances listed as hazardous by the EPA under federal law would also become subject to the excise.

Until June 30, 1995, the excise would be two-tenths of one cent (\$0.002) per pound. In later years, the state Commissioner of Revenue would set the excise rate at a level, not to exceed two-tenths of one cent per pound, sufficient to yield \$35 million annually in 1995 dollars.

The excise would not apply to gasoline or other special engine fuels, jet fuel taxed under other state law, numbers 1 or 2 fuel oil, kerosene, animal or vegetable oil, or waste oil classified as hazardous waste under other state law. Nor would the excise apply to oils, toxic chemicals, or hazardous substances merely being shipped through Massachusetts; or contained in a consumer product intended for retail sale; or present in a mixture at a concentration of less than one percent; or present in hazardous waste being transported by a licensed hazardous waste transporter who had paid or will pay a transporter fee under state law; or for which the excise tax has already been paid under the proposed law and which have not been reprocessed or recycled since payment of the excise.

The excise also would not apply to oils, toxic chemicals, or hazardous substances that are possessed by individuals for personal, non-business purposes; or are contained in vehicles or vessels intended to be used for normal purposes; or are produced in Massachusetts as a by-product of pollution control equipment or the clean-up of hazardous materials and are handled in compliance with federal and state environmental laws. Finally, the excise would not apply to toxic chemicals or hazardous substances in a manufactured product the use of which requires a specific shape or design and which does not release toxic substances under normal use.

Under the proposed law, the excise would ordinarily be collected from the first person or business within Massachusetts to come into possession of materials subject to the tax. If that person or business had not paid the excise a later possessor could be required to pay the excise and could then recover a corresponding amount from the first possessor. The proposed law would provide credits for excises paid on materials that become ingredients in the manufacture of other materials subject to the tax, and it would provide credits for similar excises or taxes paid to other states.

QUESTION 1

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?*

SUMMARY

This proposed law would establish a Health Protection Fund to pay for health programs relating to tobacco use, including distribution of information about tobacco use, to be financed by a new excise tax on cigarettes and smokeless tobacco. The Health Protection Fund would be used, subject to appropriation by the state Legislature, to supplement existing funding for the following purposes: school health education programs including information about the hazards of tobacco use; smoking prevention and smoking cessation programs in the workplace and community; tobacco-related public service advertising; drug education programs; support of prenatal and maternal care at community health centers which provide programs on smoking cessation and information on the harmful effects of smoking; and monitoring by the state Department of Public Health of illness and death associated with tobacco.

The proposed law would establish a new excise tax of one and one-quarter cents per cigarette (twenty-five cents per pack of 20) and twenty-five percent of the whole-sale price of smokeless tobacco. This excise would be in addition to the excise already imposed on cigarettes and smokeless tobacco. The new excise would be collected by the state Department of Revenue under the same procedures that apply to the existing tobacco excise.

The proposed law would direct the State Comptroller to report annually on the revenues and expenditures of the Health Protection Fund. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect. The proposed law would go into effect on January 1, 1993.

1860

Persons possessing more than 25,000 pounds of materials subject to the excise in any six-month period would be required to obtain a license from the Commissioner of Revenue. The Commissioner could issue regulations establishing record-keeping and reporting requirements for persons possessing such materials. The Commissioner would collect the excise through procedures similar to those for other state taxes and could issue regulations to implement the proposed law.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING! BEFORE YOU VOTE

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

GOVERNOR		ATTORNEY GENERAL	
G. Washington	1 ▶	T. Jefferson	
T. Jefferson	2 ▶	J. Adams	
J. Q. Adams	3 ▶		
LIEUTENANT GOVERNOR			
D. Eisenhower	7 ▶		
A. Lincoln	8 ▶		
T. Roosevelt	9 ▶		
H. Truman	10 ▶		

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

TO CHANGE PARTY ENROLLMENT

When the ballot is processed you become enrolled in the party named on this ballot. You must make a written request to your local election officials to change your enrollment.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING! BEFORE YOU VOTE

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS

(Except those who have filed a certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

TO CHANGE PARTY ENROLLMENT

When the ballot is processed you become enrolled in the party named on this ballot. You must make a written request to your local election officials to change your enrollment.

NOW, OPEN THIS BOOKLET TO VOTE.

INSTRUCTIONS FOR ABSENTEE VOTING

READ CAREFULLY BEFORE VOTING! BEFORE YOU VOTE

Make sure you are eligible. You may vote absentee only if you will be unable to vote at the polls on election day because of:

- absence from your city or town during the hours the polls are open
- physical disability
- religious beliefs

Arrange for a witness to be present before you punch your ballot card. Your absentee ballot must be witnessed by any person eighteen years of age or older unless you have filed a doctor's certificate of permanent physical disability with your local clerk, or unless you are voting outside the United States.

- Candidates for office (except for city and town clerks) may not witness absentee ballots.

Arrange for any assistance you may require. If you cannot punch your own punch card ballot because you are physically disabled, unable to write, unable to read or to read English, you may choose any person to punch your ballot card for you. You may ask the witness to do this if you wish.

VOTING INSTRUCTIONS FOR ALL VOTERS (Except those who have filed a certificate of permanent physical disability, or who are voting outside the United States)

1. Show your **unpunched** ballot card to the witness.
2. Punch your ballot card while alone, but in the witness's presence. Unless you require assistance and have arranged for the witness's help (see above), do not talk to the witness about the votes you are casting or let the witness see how you vote.
3. Open this booklet completely and you will see the entire ballot. Decide whom you wish to vote for and then take out the punch card ballot to register your votes. **Do not vote for more candidates than the number allowed for each office.**

4. Use the metal stylus provided and punch out the dot **above** the number on the punch card ballot that is the same as the number to the right of the name you are voting for in the ballot booklet. See diagram above. **IMPORTANT: Punch only with the stylus—never with a pencil or pen. Your vote is recorded by punching the punch card ballot—not by marking the booklet.** Do not fold or bend or damage the punch card in any way. It must go through a computer to be counted.
5. To vote for a person not listed in the ballot booklet, use the gray envelope. In one of the blank spaces on the inside of the envelope, insert a sticker or write in the title of the office and the name and address of the candidate of your choice. Do not forget to include the office title next to the sticker or write-in.
6. After punching the ballot card, insert it in the gray envelope. Return only the punch card and gray envelope; do not return this booklet.
7. Place the gray envelope containing your punched ballot card in the smallest ballot envelope and seal the envelope. This envelope has an affidavit printed on the front of it.

8. Sign and swear to the affidavit before the witness. Be sure to sign your name as you are registered. (The ballot was mailed to you in your registered name.)
9. Have the witness complete and personally sign the proper section. If you were unable to punch the ballot card yourself, the witness must state this on the affidavit and explain the reason. In this case, the witness will also sign your name on the envelopes.
10. Put the completed ballot envelope in the large mailing envelope which is already addressed to your city or town clerk or election commissioners. Unless you are NOW voting at your clerk's office, you must **MAIL** your ballot to your city or town clerk. You cannot have it delivered in person, unless you are voting at a designated health care facility, or you have entered a hospital within five days before the election. To have your ballot counted, mail it in time to reach your local election officials before the polls close on election day.

VOTING INSTRUCTIONS FOR CERTIFIED PERMANENTLY DISABLED VOTERS AND VOTERS OUTSIDE THE UNITED STATES

Follow voting instructions given for all voters except that you do not have to vote in the presence of a witness. Punch the ballot card, place it in the envelopes, and complete the affidavit yourself.

TO VOTE, LATER, IN PERSON

If you have mailed your absentee ballot but want to vote in person at the polling place on election day, you must obtain a certificate giving you the authority to do so from your city or town clerk or election commissioner. You cannot obtain this certificate once your absentee ballot has been processed.

TO CHANGE PARTY ENROLLMENT

When the ballot is processed you become enrolled in the party named on this ballot. You must make a written request to your local election officials to change your enrollment.

NOW, OPEN THIS BOOKLET TO VOTE.

PRESIDENTIAL PREFERENCE

To express your preference for the person to be nominated as Republican candidate for President, you may do one of the following

- Vote for one candidate on this page
or
- Vote for "No Preference" if you do not want to vote for a candidate
or
- Write-in another name and the office on the punchcard envelope

Caution Do not vote for "No Preference" and write-in.

QUESTION 3			LAW PROPOSED BY INITIATIVE PETITION	
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?				

SUMMARY			This proposed law would change the state income tax rate, affect language contained in certain tax provisions, and regulate the setting of fees by state agencies and authorities.	
The proposed law would set the state income tax rate on Part B taxable income (in general, earned income) at 4.25% for 1991 and 4.625% for 1992, except for income from unemployment compensation, alimony, Massachusetts bank interest, rental income, pension and annuity income, and IRA/Keogh deductions, which would be taxed at 5%.			YES 102	
The proposed law also provides that the fee imposed by any state agency or authority shall be no more than the fee that was in effect on or before June 30, 1988. The state Secretary of Administration would determine the amount to be charged for any service, registration, regulation, license, fee, permit or other public function, except for the rates of tuition or fees at state colleges and universities or any fees or charges relative to the administration and operation of the state courts. Any increase or decrease in a fee, or the establishment of any new fee, would require the approval of the Legislature. Any increase in a fee would not apply to persons 65 years of age or older. No state agency or authority could collect any fee which exceeds the administrative costs directly incurred by the state agency or authority to produce and process the application for any license or permit. The Secretary of Administration must report information concerning fees to the Legislature on an annual basis.			NO 103	

The proposed law provides that for tax periods commencing on or after January 1, 1991, language in certain provisions of the Massachusetts general laws relating to taxes shall be the same as it was on August 2, 1989, or the effective date of the proposed law, whichever language yields less tax revenue. The tax provisions affected include sections relating to the surtax on business income, corporate excise taxes, S corporation taxes, taxes on security corporations, taxes on Part A income (in general, unearned income), bank taxes, excise taxes on alcoholic beverages and cigarettes, excise taxes on deeds, estate taxes, payments to the Commonwealth relating to horse and dog racing, payments to the Commonwealth relating to boxing and sparring matches, taxes on utility companies, gasoline taxes, taxes on insurance companies, excise taxes on motor vehicles, taxes on urban redevelopment corporations, sales tax, use tax, room occupancy excise tax, property taxes, and taxes on proceeds from raffles and bazaars.			The proposed law also contains a provision that if any sections of the law are held to be invalid, all other sections of the law are to remain in effect.

QUESTION 5			LAW PROPOSED BY INITIATIVE PETITION	
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?			YES 136	NO 137

SUMMARY			This proposed law would regulate the distribution to cities and towns of the Local Aid Fund, which consists of at least 40% of the revenue generated by the state income, sales, and corporate taxes, as well as the balance of the State Lottery Fund.	
Subject to appropriation by the legislature, the State Treasurer would distribute the Local Aid Fund to cities and towns on a quarterly basis, and each city or town would receive at least the same amount of local aid it received in the previous fiscal year unless the total Local Aid Fund decreases.			In each year after 1992, if the fund increases, the excess would be distributed through a formula devised by the state Secretary of Administration and Finance, with the advice and consent of the Local Government Advisory Committee. If the fund decreases after 1992, each town or city will have the amount it receives decreased by the same percentage.	
This proposed law also requires that the Treasurer publish an annual report about the Local Aid Fund, that the state Auditor publish an annual audit of the Account, and that the Secretary of Administration and Finance issue to each city and town an estimate of funds it will receive from the Local Aid Fund.			Each city or town would be allowed to bring a lawsuit to force distribution of the account, and would be entitled to a late payment fee if distribution is not timely.

SUMMARY

This proposed law would change the state income tax rate, affect language contained in certain tax provisions, and regulate the setting of fees by state agencies and authorities.

The proposed law would set the state income tax rate on Part B taxable income (in general, earned income) at 4.25% for 1991 and 4.625% for 1992, except for income from unemployment compensation, alimony, Massachusetts bank interest, rental income, pension and annuity income, and IRA/Keogh deductions, which would be taxed at 5%.

The proposed law also provides that the fee imposed by any state agency or authority shall be no more than the fee that was in effect on or before June 30, 1988. The state Secretary of Administration would determine the amount to be charged for any service, registration, regulation, license, fee, permit or other public function, except for the rates of tuition or fees at state colleges and universities or any fees or charges relative to the administration and operation of the state courts. Any increase or decrease in a fee, or the establishment of any new fee, would require the approval of the Legislature. Any increase in a fee would not apply to persons 65 years of age or older. QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or House of Representatives before May 2, 1990?*

SUMMARY

This proposed law would change the state election laws governing the establishment of political parties and the nomination of candidates.

The proposed law would allow voters to register under a political designation other than "Independent" and in addition to the two political parties previously recognized by law (Republican or Democrat), if at least fifty voters request to be permitted to do so. It would allow any group to qualify as a political party under Massachusetts law if at least one percent of the total number of registered voters register to vote using that group's political designation, or if at least three percent of the votes cast at the preceding election for any statewide office were cast for a candidate running under that group's political designation.

The proposed law would set the minimum number of signatures needed on independent or minor party nomination papers for state office at one-half of one percent (1/2%) of the entire vote cast in the previous state election for governor (as compared to 2% as of 1989), and would also establish this number of signatures as the upper limit needed for major party candidates. The proposed law would also permit voters to sign the nomination papers of any number of candidates for the same office, would require that all blank forms to be used for nomination papers and initiative and referendum petitions be no more than 8 1/2" by 14" in size, and would allow signatures to be collected on exact copies of those forms.

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?*

NO	137 ▶

SUMMARY

This proposed law would regulate the distribution to cities and towns of the Local Aid Fund, which consists of at least 40% of the revenue generated by the state income, sales, and corporate taxes, as well as the balance of the State Lottery Fund.

Subject to appropriation by the legislature, the State Treasurer would distribute the Local Aid Fund to cities and towns on a quarterly basis, and each city or town would receive at least the same amount of local aid it received in the previous fiscal year unless the total Local Aid Fund decreases.

In fiscal year 1992, if there has been any increase over the fiscal year 1989 fund, half of the increase would be distributed in accordance with the distribution formula used for fiscal year 1989, and half would be distributed to each city and town in proportion to its population.

In each year after 1992, if the fund increases, the excess would be distributed through a formula devised by the state Secretary of Administration and Finance, with the advice and consent of the Local Government Advisory Committee. If the fund decreases after 1992, each town or city will have the amount it receives decreased by the same percentage.

This proposed law also requires that the Treasurer publish an annual report about the Local Aid Fund, that the state Auditor publish an annual audit of the Account, and that the Secretary of Administration and Finance issue to each city and town an estimate of funds it will receive from the Local Aid Fund.

Each city or town would be allowed to bring a lawsuit to force distribution of the account, and would be entitled to a late payment fee if distribution is not timely.

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or House of Representatives before May 2, 1990?*

YES	81 ▶
NO	82 ▶

SUMMARY

The proposed law would place restrictions on the State's use of consultants. It would place various limits on the amount of profit, overhead charges and expenses that the State could pay consultants. It would limit the duration of consultant contracts to two years and any extension to one year, and it would limit the degree to which such contracts could be changed to require payments in excess of the original contract. The proposed law would limit to \$100,000 the amount the State could pay on a consultant contract with an individual and would require all other consultant contracts in excess of \$25,000 to be sought through competitive bidding. It would prohibit consultants from supervising State employees, and it would limit the use of consultants as substitutes for State employee positions.

In addition, the proposed law would place limits on the total amount of money State agencies, departments and Authorities could spend on consultants each year. Subsidiary provisions would also establish a method for these entities to gradually come into compliance with the new spending limits and would give authority to the State Secretary of Administration and Finance, on request, to permit some spending in excess of the new limits. The proposed law would also require State agencies, departments and Authorities as well as the Secretary of Administration and Finance to submit yearly reports concerning the State's consultant contracts to certain legislative committees and to the Inspector General.

Finally, the proposed law provides that any of its provisions, if found by a court to be unconstitutional or otherwise unlawful, would be severed from the law and the remaining provisions would continue in effect.
